## Aviation Environmental Auditor (CORSA, ETS, Airport Carbon & GHG Footprint)

**Position:** Environmental auditor for the independent verification of GHG emissions of aircraft, airlines, and airports under various programmes.

**Location:** Paris, France, or Chandigarh, India (or remote)

**Type of contract:** Full or Part Time

### Background

Verifavia is a global independent provider of Green House Gases (GHG) emissions verification services for aviation, airports, and maritime transport. The company is headquartered in Paris, France and operates a regional office in Chandigarh, India. With over 300 aviation clients in 100+ countries, Verifavia is the leading verification body for aviation with around 60% CORSIA global market share.

Verifavia is accredited by the French COFRAC to ISO 14065 for the EU Emissions Trading Scheme (EU ETS) and ICAO's CORSIA, by the United Kingdom Accreditation Service (UKAS) for the UK Emissions Trading Scheme (UK ETS), and by the Singapore Accreditation Council (SAC) for ICAO's CORSIA.

To strengthen its multicultural team of professional auditors, Verifavia is recruiting aviation environmental auditors for its Paris and Chandigarh offices. Successful candidates will join our international auditing teams to perform legal environmental verification audits for airlines and business jet operators worldwide.

### Minimum skills

- Relevant degree in Environment, Aviation, Engineering, Data Sciences, or Mathematics
- Strong analytical skills and ability to interpret data
- Highly proficient with Microsoft Excel
- Excellent oral and written communication skills in English
- Attention to details, resourceful, ability to work independently
- Strong business ethics and ability to maintain independence and objectivity
- Ability to work under pressure in a challenging environment

### Preferred skills

- Auditing experience (quality, environment, operations, etc.)
- Experience in flight operations or airport operations/ knowledge of environmental regulations in aviation
- IT proficiency
- Knowledge of data analysis tools and / or programming languages (Python, R...)
- Sustainable Aviation Fuel / Life-Cycle Assessment / SBTi
- Other languages

Depending on skills, Verifavia will organise additional training as required. Send your **CV** and **customized cover-letter** with references to [recruitment\\_aviation@verifavia.com](mailto:recruitment_aviation@verifavia.com)

***We look forward to welcoming you in a young, innovative, and ever growing multi-cultural organization!***
