Quotes from past trainees:

<< Thank you for this training, which I found extremely practical, but at the same time you answered all questions, that I had during my self-research on CORZIA. >>, **Air Astana**

<< Beata, you are such a good teacher. I will be always filled with good memories of Paris, because of you and the Verifavia team. >>, **Arik Air**

<< Everything was excellent! >>, **Azerbaijan Airlines**

<< Thank you so much for interesting communication and training!!! It was a pleasure! >>, **Belavia**

<< Thank you very much for sharing your knowledge. Merci! >>, **French Bee**

<< I would like to thank you all once more for this valuable CORZIA training. >>, **GlobalJet Luxembourg**

<< For me, I knew very little coming into this training so I liked that there was a high overview in the beginning followed by detailed training. I feel like I now have an in depth knowledge of CORZIA requirements that I can comfortably explain to my co-workers. >>, **Omni Air Intl**

<< Thank you again for the provided training, I enjoyed that training and Paris city as well! Wishing VERIFAVIA a Great Success! >>, **Silk Way**

<< I learned a lot and it will be useful in the future for my company and for my State. >>, **TACV**

<< Beata and Julien did a great job with providing the training.>>, **VistaJet**

<< Special Thanks for effective courses that was organized in Verifavia premises, and practical materials that were provided on the training. >>, **Azerbaijan CAA**
