## Quotes from past trainees:

<< Special Thanks for effective courses that was organized in Verifavia premises, and practical materials that were provided on the training. >>, **Azerbaijan CAA**

<< Thank you for this training, which I found extremely practical, but at the same time you answered all questions, that I had during my self-research on CORSIA. >>, **Air Astana**

<< Beata, you are such a good teacher. I will be always filled with good memories of Paris, because of you and the Verifavia team. >>, **Arik Air**

<< Everything was excellent! >>, **Azerbaijan Airlines**

<< I would like to thank you all once more for this valuable CORSIA training. >>, **GlobalJet Luxembourg**

<< For me, I knew very little coming into this training so I liked that there was a high overview in the beginning followed by detailed training. I feel like I now have an in depth knowledge of CORSIA requirements that I can comfortably explain to my co-workers. >>, **Omni Air Intl**

<< Trainers were very knowledgeable. Course materials are very comprehensive and easy to follow. Location is fantastic >>, **Singapore Airlines**

<< I learned a lot and it will be useful in the future for my company and for my State. >>, **TACV**

<< It was the best training I have ever attended. Trainers, materials for training, breakfast, lunch, everything was superb. Thank you! >>, **Travel Service / Smartwings**

<< The knowledge of the trainers and the very friendly atmosphere, the exercises also were challenging. Thank you Julien and Beata for all. >>, **Tunisair**

<< Beata and Julien did a great job with providing the training.>>, **VistaJet**
